In response to your request for a Fiscal Note on Senate Joint Resolution No. 5 (proposing a constitutional amendment authorizing the Legislature to expand the services provided by the Amarillo Hospital District to include certain residents of Randall County and authorizing Randall County to provide financial assistance to the district) this office has determined the following:

The resolution proposes a constitutional amendment which, if adopted, would allow the Amarillo Hospital District to provide services to certain residents of Randall County and would authorize Randall County to provide financial assistance to the District.

The cost of publication of the resolution to the State is estimated to be \$45,000.

Because the bill would not have statewide impact on units of local government of the same type or class, no comment from this office is required by the rules of the Senate as to its probable fiscal impact on units of local government.

## BILL ANALYSIS

By: Sarpalius, Smithee

S.J.R. 5

### BACKGROUND

Currently the Amarillo Hospital District cannot expand its services to certain residents of Randall County or receive financial assistance from Randall County for those services.

### PURPOSE

S.J.R. 5 proposes a constitutional amendment authorizing the legislature to expand the services provided by the Amarillo Hospital District to include certain residents of Randall County and authorizing Randall County to provide financial assistance to the district. S.B. 32 by Sarpalius/Smithee is the enabling legislation.

### RULEMAKING AUTHORITY

It is the opinion of the Committee on county Affairs that S.J.R. 5 will not delegate rulemaking authority to any state officer, institution, department, or agency.

### SECTION-BY-SECTION ANALYSIS

SECTION 1. Amends Article IX, Section 5, of the Texas Constitution by adding Subsection (e) which authorizes Randall County to provide financial assistance to the Amarillo Hospital District for services to certain Randall County residents. The payment may not exceed 75 cents on the \$100 valuation on all property in Randall County that is served by the Amarillo Hospital District.

SECTION 2. Allows for the proposed constitutional amendment to be submitted to the voters in November 1987.

### SUMMARY OF COMMITTEE ACTION

S.J.R. 5 was considered in a public hearing on July 7, 1987. No one was present to testify for or against the joint resolution. The motion to report S.J.R. 5 favorably to the House carried with a vote of 7 Ayes, 0 Nays, 0 PNV and 6 Absent.

In response to your request for a Fiscal Note on Senate Joint Resolution No. 5 (proposing a constitutional amendment authorizing the Legislature to expand the services provided by the Amarillo Hospital District to include certain residents of Randall County and authorizing Randall County to provide financial assistance to the district) this office has determined the following:

The resolution proposes a constitutional amendment which, if adopted, would allow the Amarillo Hospital District to provide services to certain residents of Randall County and would authorize Randall County to provide financial assistance to the District.

The cost of publication of the resolution to the State is estimated to be \$45,000.

Because the bill would not have statewide impact on units of local government of the same type or class, no comment from this office is required by the rules of the Senate as to its probable fiscal impact on units of local government.
